How it all began...

5 years ago, I prayed for a home and a family. I was a curious seeker of knowledge, and I prayed for a space where the beauty of Islam is being celebrated, honoured and remembered in the everyday. I prayed for a shelter I could dwell in for spiritual support, and I prayed for kind, gentle and light-hearted teachers and companions to walk on this path with me. I prayed, and I prayed, and He answered by planting a seed of hope in my heart:

"Why don't you build one, Ya Aida?"

And with His Help and Mercy, **we built AA Plus.**

ALLAH WANTS US TO SUCCEED

- Allah didn't tell us 'Be steadfast' and then left us alone; **He gave us opportunities to succeed.**
- Besides the blessed month of Ramadan, there are other Islamic months in which we can reap rewards such as Syawal, Zulhijjah, Muharram, Rabiul awal, Rajab and Syaaban.
- We also have the blessed days of Fridays every week, and the last third of the night every single day! If you miss today, there's tomorrow Ma Sha Allah!
- **At the most basic, we have the five daily prayers** to ensure our success and opportunity to be steadfast. With it comes the opportunity to listen and repeat the Athan as well as make Du'a during or/after Athan.

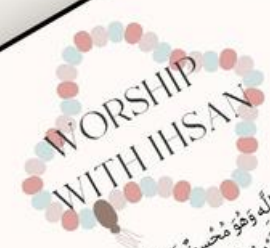

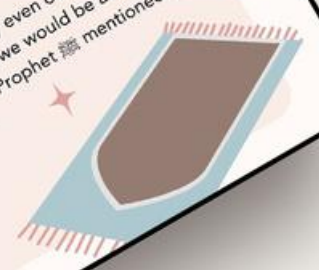

Each TKV
episode also
comes with
detailed
PDF Notes.

IN SUMMARY

- 1 Fix your Salah and else will be fixed

BE PRAYER-READY

- Our prayers deserve every single minute that we put into them, and when we think about it, it really doesn't take much of our time.
- Abu Huraira reported: The Messenger of Allah, peace and blessings be upon him, said, **"Shall I not tell you of a deed by which Allah expiates your sins and raises your status?"** They said, "Of course, O Messenger of Allah." The Prophet said, "Thorough ablution despite difficulty, taking many steps to the mosque, and **waiting for one prayer after another.** That is like guarding the frontier."
(Muslim)
- We can be prayer-ready even one minute before the Athan and we would be amongst the people that the Prophet ﷺ mentioned in

بَلَىٰ مَن أَسْلَمَ وَجْهَهُ لِلَّهِ وَهُوَ مُحْسِنٌ فَلَهُ أَجْرُهُ عِنْدَ رَبِّهِ وَلَا خَوْفٌ عَلَيْهِمْ وَلَا هُمْ يَحْزَنُونَ

But no! Whoever submits themselves to Allah and does good will have their reward with their Lord. And there will be no fear for them, nor will they grieve.
(Al-Baqarah 2:112)

- To be a **مُحْسِنٍ** means to worship Allah with Ihsan. It means to perform good deeds completely for Allah and perform them as if we see Allah and that Allah sees us.
- **وَمَا أَنَا مِنَ الْمُشْرِكِينَ** means the One Who has turned my face towards the earth—being upright towards the polytheists." (Al-An'am 79)

Allah's Beautiful Names

Every TKV episode has magically addressed the concerns in my heart! The gems you learn from the teachers are priceless and they share Islamic perspectives on everything that we go through in life as Muslim women. It has changed how my heart sees the world, and how my limbs move forward. The best part is you always have access to these lessons, and this is so helpful, especially when your heart needs to come back to it time and time again. The TKV classes have carried me through on days I really need a spiritual hand.
