"Allah has **endeared faith** to you,
making it **appealing in your hearts**.

And He has made disbelief,
rebelliousness, and disobedience
detestable to you. Those are the
ones **rightly guided**."

Quran 49:7

Assalammualaikum my Champions,

So I have been thinking recently about olives, and bear with me, I will

make a point soon LOL, but olives were something completely insignificant in my life prior to moving to Morocco. I think it's almost rare to see anyone eat olives in Singapore, and I honestly did not fancy its taste either, but Subhanallah, Allah SWT has moved my heart to make olives dear to me now and He did this through simply by mentioning about it in [the Quran](#): "With it, He produces for you various crops, **olives**, palm trees, grapevines, and every type of fruit."

I thought, "If Allah SWT mentions it in the Quran, then that must mean something!"

So just like that, Allah SWT made olives dear to me! I have to have it before every meal at least once!

But of course, Allah SWT has also made many other things dear to us too. **For example, this faith!**

And when Allah SWT has made faith **dear** to you, that in and of itself is A **BLESSING!** When this happens, charity becomes dear to you, Hijab becomes a source of strength for you, Quran becomes your closest companion, and waking up for Tahajud is manageable - and the list is endless!

So Champs, if there is one thing we should consistently and constantly say Alhamdulillah for, it's the fact that He has put this love for the Deen into our hearts! May this love continue to grow in abundance in Ramadan, and beyond, Amin!

this week at Ruhi Land:

If you are struggling with making Dua or don't know what Dua to make this Ramadan, join me and Ustazah Samah as we discover and learn the many Duas found in the Quran and Hadith and what are some of the best "conditions" and timings that Allah SWT Himself say is the best time to make Duas. You will also marvel at how Generous Allah SWT is, because He gave us many opportune times and seasons of Duas (there are literally SO many, Ma Sha Allah Alhamdulillah!) and it is my hope that after this lesson, you will all walk away with not only a much deeper appreciation for Duas, but also with a more confident mindset that Allah SWT is the Hearer of all Duas!

a beautiful dua

Speaking about Duas, I am so excited to re-introduce to you Champs the special PDF that we did last Ramadan on **'Beautiful Duas from the Blessed Quran.'** I love, love, love all of the Duas that Allah SWT has highlighted and immortalised for the believers till the end of time in the Quran, so collating them and putting them together in a "book" gave so much joy for me! Please feel free to share this widely with your friends and family, I pray may this be of benefit!

#An Ayah A Day

A super quick announcement to say that we have now dropped the first 20 episodes of An Ayah A Day, Ma Sha Allah, Alhamdulillah. I honestly am so grateful that so many of you love #AAAD and personally for me, choosing a favourite episode is nearly as hard as choosing a favourite Ayah! Which episodes are **your** favourites? Share with me! **PS: Also Champs, I do not recommend you binge all of them at one go!** :P Savour it, and try to listen to it one episode at a time ok? PPS: Please **do not** share the links outside of AA Plus too, thank you!

muslim meme

I would like to believe that my two cats, Noor and Khair, are Meow-slim, as they always come to me running, and then plonking themselves on my lap whenever I start reciting the Quran, when I am on AA Plus Calls, or whenever I am engaged in a gathering of Light. They are always coming to my prayer mat too, and I always catch them

in a tranquil position (maybe they are in Zikir?) But, if you tell them about Ramadan and the "not eating: part, I am pretty sure my cats would not have any of it. 😂😂😂😂

to ponder

Last night during our Tadarus session, one of our beloved Champs reflected on this Ayah in the Quran: "And on the Day of Judgement, We will bring forth to each person a record which they will find laid

open. And it will be said, '**Read your record.** You alone are sufficient this Day to take account of yourself.' ([Quran 17:13-14](#)) Subhanallah, this made me think about what kind of deeds will I be presenting to Allah SWT: Will I be embarrassed by them? Or will I be hesitant and anxious? Champs, I sincerely pray may we seize this opportunity of Ramadan to not just purify our souls but also to beautify our Book of Deeds with countless acts of Ibadah for His sake, Amin!

And with that, I hope you guys have enjoyed Closer! I'll see you for our [nightly Tadarus + Tahajjud Sessions on RuhiLand](#) soon!
