## 7 Key Factors To Build A Positive Mindset

We are doing a throwback to our first-ever Class that I did for AA Plus on Positivity! Although I still cringe listening to myself, I have to say that this has been one of my favourite Classes to date and listening to it again today serves as a timely reminder to enter the new year on a positive note! This series of short classes covers all the essential habits that you need in order to fight against negativity and strengthen your positivity muscle, even in times of adversity.

### Our Muharram Dua List 💗

During our last Open Session, the Champions got together to compile a Dua List that covers a a wide range of categories including prayers for Akhirah, for the state of our hearts, to prayers for parents, the Ummah and of course, for the New Year! <3 If you need inspiration to what to make dua for on the Day of Awal Muharram, we hope this Dua list will

get you going. Can I ask for a small request to include all of us on AA Plus + the teachers and my team too, please!

# Our 3rd Collective Khatam, In Sha Allah ♥

Champs, I can't believe we are now on to our 3rd collective Khatam this month! As usual, I urge everyone to read 1-2 pages of the Quran

together - just sign up with your name next to the page number you want to read and then once you've read your part, just highlight your column in green! More instructions on the Google Sheet. Please join us, OK? It'd be awesome starting the new year with the Quran, and doing this together with you will make it a whole lot sweeter!

Something to Ponder

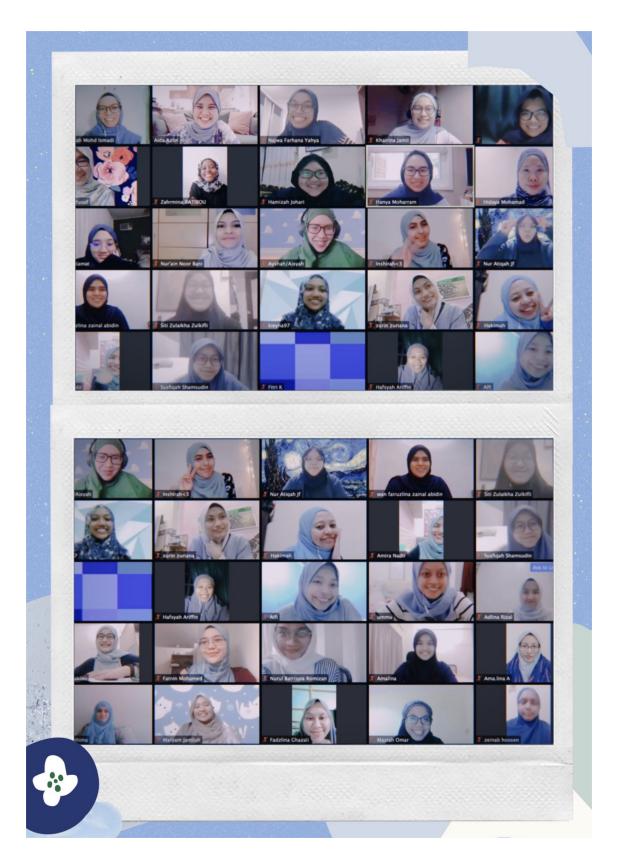

Don't be a thief and steal from your prayer. Have your heart present, your Ruku' mindful and your Sujood long and pleading.

\*

I came across a <u>Hadith</u> where Rasulullah SAW said, "the worst of thieves is the one who steals his prayer." The companions then asked, "How does he steal his prayer, Messenger of Allah?" Rasulullah SAW replied, "He does not do ruku or sajda properly." This game me goosebumps and made me reflect on just how much I've stolen.... from my own self. :( This year, let's beautify our Prayers, Champs! May we be of those who protect our Solah, and who never steal from ourselves of our Solah! Amin!

Here's the replay of last Sunday's Open Session, in case you missed it!

and with that, I hope you guys have enjoyed Closer.
