IT'S ALWAYS A
beautiful
ENDING
for those who
TRUST ALLAH

Assalamualaikum my Champions,

We are almost at the end of January, which means I only have to be a little biiiiiit more patient before we get to welcome Spring here in Morocco, In Sha Allah. I've never been a fan of Winter, but I realised, when I stop complaining about the cold, there's a lot of beauty to be seen in the depths of Winter. Like snuggling with Noor (ok fine, **carefully** snuggling, coz that cat be feisty and can scratch me anytime 😂), being able to easily fast the voluntary fasts as the days are shorter, making and drinking warm soups (I'm a huge soup kinda girl), my T-zone behaving well, and maaaaaany other things, Ma Sha Allah.

Just like winter, there are also reasons why Allah has placed all of us in the different seasons of our lives. If you are in the season of struggle and hardship, know that there are beauty and mercy also waiting to be found. And if you are in the season of joy and ease, surely there are lessons to be learned within it as well. But whatever the season may be, if we trust Allah SWT, we will always have a beautiful ending. :)

Khair, In Sha Allah. With Allah, it's always khair, and it's always Alhamdulillah.

LETTING IT FLOW - A LIVE ZOOM CALL

with

AIDA AZLIN & A HELWA

Monday | 25 January 2021 | 9PM SG / MS

What's a writing class if you don't **actually** write? This is exactly the sentiment Helwa and I had when we were planning for the "finale" of the Open Flow class, which is why I cannot wait to have Helwa back for a special Live Zoom Call with you guys as we wrap up this series. We have an amazing session planned and writing prompts ready for you to get your flow on, so please carve out your Monday evening for us! It'll be at 9PM Singapore / Malaysia time, and Helwa is waking up at 5 am just for you! :P (Please come even if you don't regard yourself as a writer - if you write IG captions, then you **can** write!)

8TH COLLECTIVE KHATAM

27 JAN 2021

Wednesday | 27 January 2021

So, so excited for our very first 2021 collective Khatam! A number of you have requested that we change up the week where we usually do the Khatam (we always do it on the 3rd week of the month), so I saved it for the last challenge for January. I hope you will join in this blessed "gathering" and may every huruf that you read for His sake be rewarded a million fold! Make the intention that your heart absorbs the beauty of His words too ok?

I've never been a "nature" kind of girl, until I was humbled by the majesty of His oceans. I live an hour drive away where the Atlantic Ocean and the Mediterranean Sea meet, and I remember going up there one day and being completely blown away of the beauty I saw. Today, try to share with Allah some of the breathtaking sights you've been to, and some of the places you'd love to visit one day, In Sha Allah. It's surreal to think how beautifully Allah SWT has "designed"

these places on earth - can you imagine how stunningly beautiful Jannah will be? May we reunite in the highest of Jannah, Champs!

Is yours the same?

Something to Ponder

Peace and jealousy
cannot live in
the same heart,
one must leave.

*

To envy is completely human, and I'll be the first to admit that there were a number of times when I fall into it. But I realised that peace and jealousy cannot live in the same heart, so if I find myself distressed from envy, I make dua for Allah to give even more to everyone, and to remember two things: 1) that 'love' is always the answer and 2) always choose the lens of abundance, and not the lens of scarcity.

ending it with His Words

Quran 4:28

And it is Allah's Will to lighten
your burdens, for humankind
was created weak.

Rely on Allah

Seek from Allah

With that, I hope you guys have enjoyed Closer.
