Monday / 25 May / "EID" Reminder

## **The Real Celebration - Paradise for the Believers**

OMG Faddy and I had a blast recording this one (towards the end, we also got a little "high" :P) but what a fun episode to end Ramadhan Reminders, Alhamdulillah! We discussed when we believe is the "REAL" Eid, our strategies for being consistent with our deeds even beyond Ramadhan, how everything leads back to "Alhamdulillah" and many more! This episode is just 30 minutes short, so have a listen to it in between munching on your Eid Cookies / Kuihs and playing dress up ok? <3

## Our Conversation With Allah - The Conclusion

\*CRIESSSSSS\* It's our final lesson of Tafsir of Surah Fatiha and if you've been following this series religiously, you can attest how it has changed the quality of your prayers! In this episode, Ustazah Farhana shares Allah's response to every Ayah that we recite from the Fatiha, what we **should** be thinking about during our Solah when we are reading this Surah so that it can give us Khusyuk when we pray, and we will also be summing up everythinggggg so that we can all go out there, absolutely in love with this Opening Surah!

Coming Thursday

*Your visual reminder*

It's been a while since I designed a wallpaper, and because it's Eid, I wanted to do one that is bright and "happy"! I also needed something to remind myself that I can stay consistent with all the acts of worship I did in Ramadhan - maybe not as intense, but at least, still keeping up the momentum of it all - so I wrote this positive affirmation reminding myself that I can, because Allah is always by my side, cheering me on! Hope this will be useful for you too!

Something to Ponder

---

Worship is an  
incredible privilege,  
not a religious duty.

\*

Everytime we go into Solah, read the Quran, wake up for Tahajjud or do any act of worship for that matter, know that Allah could have very easily stripped us away from the privilege of being chosen to perform these Ibadah. So whenever we find ourselves dragging our feet to do what He has called us to do, remember the times when we were far from guidance, and how beautifully He made you return to Him in repentance. May Allah keep allowing us to worship Him, even if we falter a million and one times, Amin.

*and with that, I hope you guys have enjoyed Closer.*
