WHENEVER YOU FEEL
unloved, unimportant,
OR INSECURE, REMEMBER
to whom you belong.
YOU ARE ALLAH'S.

Assalamualaikum my Champions,

I was speaking to a friend of mine who was sharing with me how having a sense of belonging is truly important to her, and it made me look back on the first few years when I just moved to Morocco. I was incredibly lonely, making friends was hard because of the language barrier, I was homesick and everywhere I went, I stick out like a sore thumb - I definitely do not feel like I belonged.

Nobody understood how I felt, so I turned to Allah and confided in Him. I poured my heart out to Him, and in my desperate pleas, I begged Him to let my heart breath easy.

Which Alhamdulillah, I did, as soon as I realised that I belong to Him, and that for as long as I have Him in my heart, I will never be alone. Wherever it is we are being placed in this world, He is always there, closer to us than our jugular vein.

And wherever we are, In Sha Allah, it won't be as dark as in the belly of a whale (Nabi Yunus AS), it won't be as harsh as being thrown in prison (Nabi Yusuf AS) nor will it be as life-threatening as being thrown in the fire (Nabi Ibrahim AS) - of which all of them had the comforting reassurance that Allah SWT was always with them. ❤️

HIS BLESSED FIRST REVELATION

with Ustazah 'Alimatunnisa + Aida Azlin

In this final episode, Ustazah 'Alimatunnisa bring us through the journey before and after the Prophet SAW received his first revelation.

This "season finale" expounds in detail how the character and sacrifices of Rasulullah SAW's first wife, the blessed Sayyidatina Khadijah RA were essential in the victory of Islam, even after she has passed away. I cannot wait to "fangirl" over Sayyida Khadijah RA with you ladies on our Study Date this week!

a beautiful Dua

Ya Rabb,
while I wait, please
strengthen my heart.

*

In one way or another, we are always waiting for something, but what we do while waiting is incredibly important. Trust that it is through this "wait" that our characters be refined, our intentions be purified, and our ranks be elevated, Amin!

Phone ringing in jummah prayer

LOOOL , but in our case, it is not the Jumaa' prayer, just when we pray in general! Do you put your phone on silent before you pray?

Something to Ponder

Let your words
be true, few
and gentle.

*

This is something I'm still trying to do every day - to be a lady of true, but few words, with gentleness in my mannerisms and my actions. But that proves to be difficult if I don't protect myself from crude content, from an environment that is vulgar, and from mindlessly reacting to things. What helps is remembering that there are angels on both sides, writing, and recording every single thing that I say, see and hear, which I pray will not be used against me on the Day I meet my Rabb.

ending it with His Words

Quran 42:43

And whoever endures patiently
and forgives - surely this is a
resolve to aspire to.

Increase Patience

Forgive More

With that, I hope you guys have enjoyed Closer.
