in the end,
IT'S JUST YOU
and allah.
AND THAT
is more than
ENOUGH.

Assalamualaikum my Champions,

There are honestly so many things circling in my mind and I'm still trying to process it all, but no matter which angle I see it from, everything that has happened the past week whether it be it in my personal life or in society at

large, I've found Allah's Love at the core of it all. One of my teachers was sharing that when Allah tests us with a particular hardship, it can be because He wants to reveal to us a particular flaw of ours so that we can work on it, correct it, and then consequently, grow to be a better individual.

It made me realise that if His tests are done out of His Love for us, imagine His Rewards. His Mercy. His Protection. His Healing.

Allah. We don't deserve your Love, but we are so desperately in need of it.

Coming up this week

on AA Plus!

Monday / 8 June / Woman Up! S2

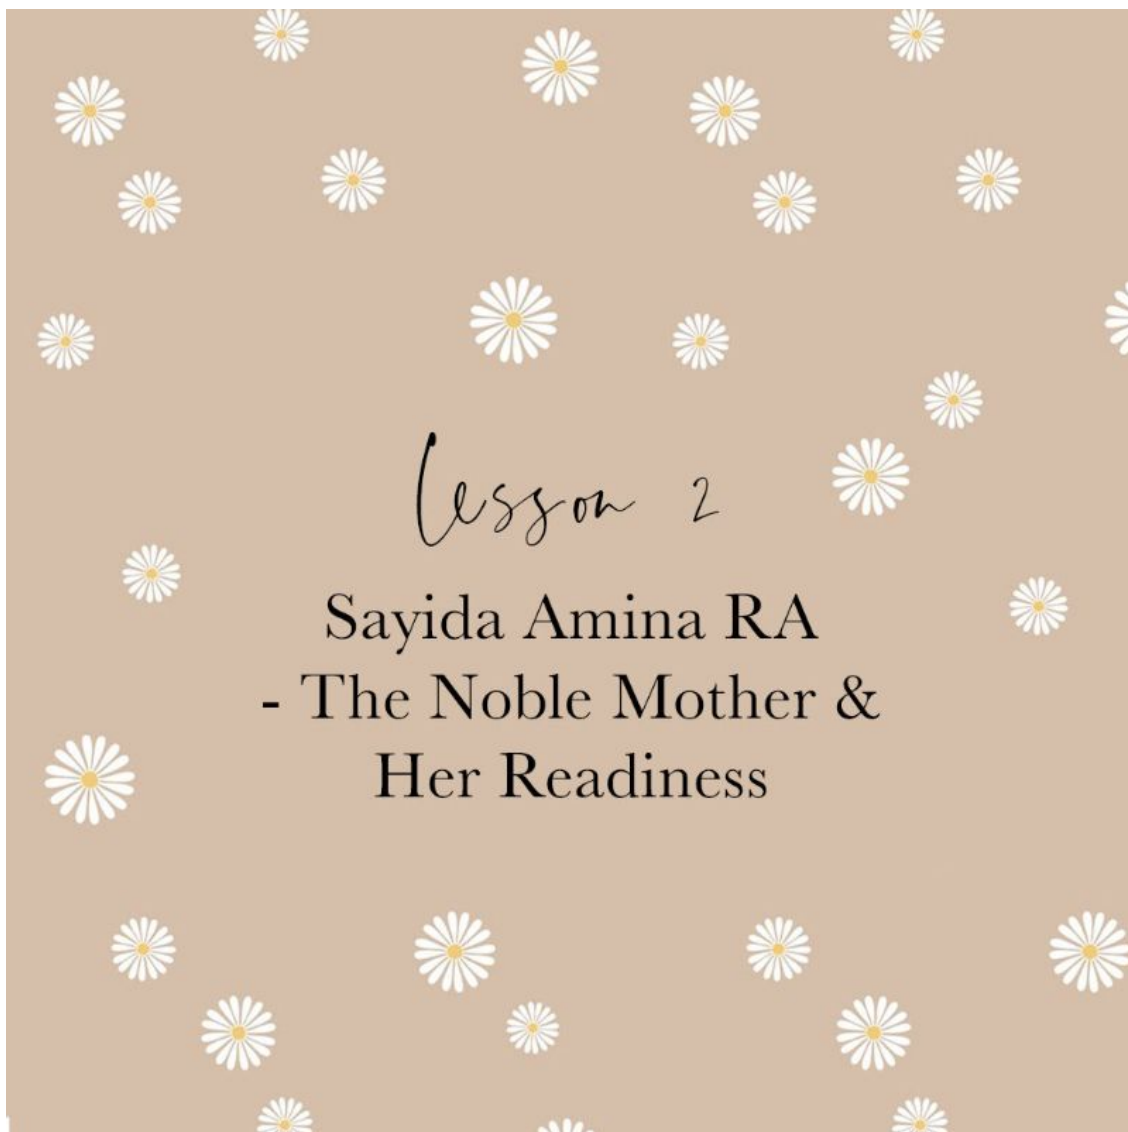

EP 1 - "Individualising" Islam

Saphia and I are so excited to be back with the second season of Woman Up and for the first episode, we discussed the topic of **individuality** and how embracing it could **help you to unlock your religious and spiritual potential**. We also shared what are our "go-to" acts of Ibadah whenever we are

in dire need of feeling closeness to Allah, how we should use the understanding of ourselves to pull back to our Creator, and the importance of acknowledging that there is goodness in all of our Fardh obligations, **especially** those that we might be struggling in.

Thursday / 11 June / The Knowledge Vault

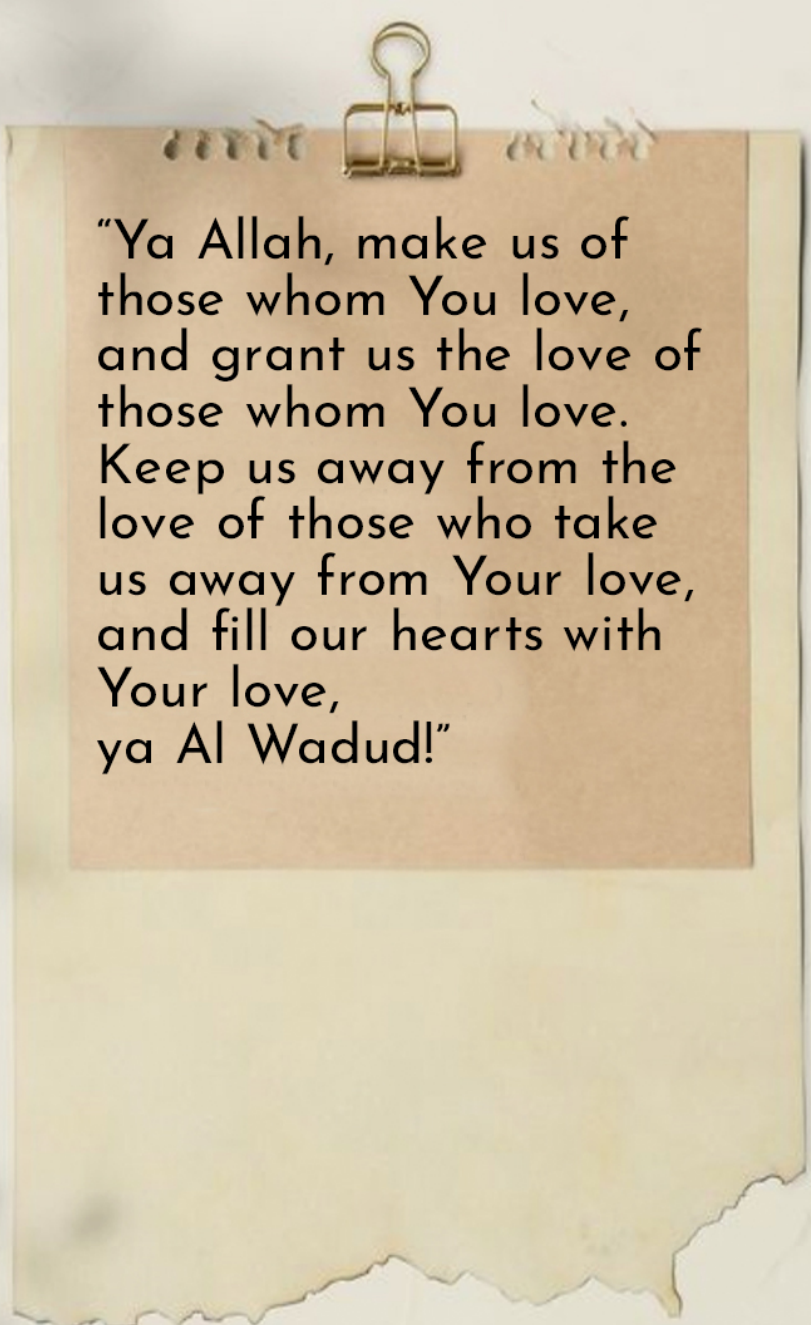

WATM: On Sayyida Amina RA

After seeing some of your responses / reactions from our first ever "Study Date"

where we listened to the first episode of 'Women Around the Messenger' together, I have an inkling that this series will be one of our favourites! This week, Ustazah Huraidah shares more about Sayyida Amina RA, the Noble Mother of the beloved, the "light", Rasulullah SAW.

Coming Thursday

a beautiful Dua

"Ya Allah, make us of
those whom You love,
and grant us the love of
those whom You love.
Keep us away from the
love of those who take
us away from Your love,
and fill our hearts with
Your love,
ya Al Wadud!"

Muslim Meme

(coz I'm the Queen of Memes :P)

When your best friend's parents say
"you're not a guest anymore, you're
family"

Oh how I miss just hanging out at my friends' homes, chilling with their moms,
while eating delicious home-made food! :(!!!!!!

Something to Ponder

Allah loves us unconditionally,
heals all of our heartaches,
catches every tear that falls,
and forgives our sins
that we constantly do -
yet we still seek Love elsewhere.

*

Champions, may this new week be an opportunity for us to strive to find His Love through ***everything*** that is going on in our lives. May all of the actions that we take, and decisions that we make, be grounded by our love for Him. And may Allah be the very first place we seek Love at, for He is the Source of Love, and He Himself is Love.

Sigh, so much love in this email. #ILOVEYOUALLFILLAH

and with that, I hope you guys have enjoyed Closer.
